

SENATOR LANDIS: This is a technical amendment. It is offered by the bill drafting staff and it's simply to make clarifying language and to add to the word "fee", "or commission as a result of the contract", so that those are the same thing and I move the adoption of the amendment.

SPEAKER NICHOL: The question is the adoption of the Landis amendment. All in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays on adoption of Senator Landis's amendment to the bill, Mr. President.

SPEAKER NICHOL: The amendment is adopted and we'll leave that bill at this time. Mr. Clerk, you're back on.

CLERK: Mr. President, new bills. (Read LBs 1237-1245 by title for the first time as found on pages 465-67 of the Legislative Journal.)

SPEAKER NICHOL: While the Clerk is reorganizing there, are there any of you that have a bill that you wish to be bringing up in the next few minutes? I don't want to shut anybody off. As you well know, this is the deadline for introducing bills and if any of you are having a problem of any kind, let us know now.

CLERK: (Read LBs 1246-1248 by title for the first time as found on pages 467-68 of the Legislative Journal.) Mr. President, that's all that I have.

SPEAKER NICHOL: Senator Jackie Smith, would you like to adjourn us until nine o'clock tomorrow, please.

SENATOR SMITH: Certainly. Mr. President, Mr. Chairman, I move to adjourn until nine o'clock tomorrow morning, January 23.

SPEAKER NICHOL: You've heard the motion. All those in favor say aye. Opposed nay. We are adjourned until tomorrow at nine o'clock. Thank you, Senator Smith.
